

## About exercises

- Exercises will appear in Web page at least one week before dead-line
- Return dead-line is before exercise time (either “kyyhkyslakka” or at E110)
- You can get up to 6 points for exam:

$$p_{exam} = \min \left( 6, \alpha \sum_{i=1}^7 \frac{p_i}{p_{i,max}} \right),$$

expected value for  $\alpha$  is 1.

- **Two points** ( $p_{exam} \geq 2$ ) **is required to get permit to take part in the exam!**
